

Availability Report Submission & Deletion - Decision Logic Table

1. The decision logic table below pertains to members assigned to a transient activity or permanent duty station in a transient type status for reassignment (e.g., students with scheduled graduation dates, student non-grads, disqualifications, special nominations, medical releases to include those placed in a limited duty (LIMDU) and returned from (RTD) LIMDU, placed in Physical Evaluation board (PEB) status and fit for duty by a PEB, command status changes, etc.).

2. If within 90 days of soft extension of end of active obligated service (SEAOs), as reflected in enlisted master record; those placed in LIMDU, PEB, or pregnancy status and submarine/nuclear designated personnel may or may not need an AVAIL. Contact Navy Personnel Command NAVPERSCOM (PERS-454) for YH and DP AVAILS, and (PERS-403) for DG AVAILS, if you are not sure whether you should submit an AVAIL on these members.

3. Contact (PERS-40GG) for any other questions, concerns about AVAILS.

STATUS	NOTES
Within 90 days of end of obligated service with SEAOs as applicable, regardless of previous type duty or projected rotation date (PRD), and does not desire to incur OBLISERV for orders.	1
TPP&H and/or RTD/FFD, within 90 days of SEAOs, regardless of previous type duty. PRD is blank or is 9 months or less and desires to incur OBLISERV for orders. Not approved or directed to separate within 1 year. EDLN is blank or is more 12 months in the future.	2
TPP&H and/or RTD/FFD RTD or FFD, SEAOs is more than 90 days, regardless of previous type duty or OBLISERV intentions. PRD is blank or is 9 months or less. Not approved or directed to separate by higher authority within 1 year. EDLN is blank or is more than 12 months in the future.	2
TPP&H and/or RTD/FFD, PRD is more than 9 months, regardless of previous type duty or SEAOs, and regardless of whether or not member intends to OBLISERV for orders.	1
Held beyond end of obligated service (EAOS) for PEB and does not desire to reenlist.	1
Held beyond EAOS for PEB and now desires to reenlist. Not approved or directed to separate by higher authority within 1 year. EDLN is blank or is more than 12 months in the future.	2

Availability Report Submission & Deletion - Decision Logic Table

Lateral or forced rating conversion and rating designations. This also includes direct conversions, designations & selectees/frocked, but billet is not available onboard.	3
TPP&H and/or RTD/FFD, pending C-Way approval	2
TPP&H and/or RTD/FFD, approved or directed to separate by higher authority within 1 year (e.g., early separation, C-Way denied, etc.) or other than those who are FFD by PEB have 3 physical fitness assessment (PFA) failures on record.	1
TPP&H and/or RTD/FFD, within 1 year of estimated loss date from the Navy (EDLN) (e.g., transfer to the Fleet Reserve, retirement, high year tenure (HYT), enlisted review board results (ERB), etc.).	1
TPP&H and/or RTD/FFD, transfer to the Fleet Reserve, retirement has been requested pending approval; or has been approved with an EDLN date more than 12 months in the future.	2
TPP&H and/or RTD/FFD, pending further screening for specific ratings (not nuclear and submarine designated personnel).	4
TPP&H and/or RTD/FFD, requires further screening by OPNAV (N133D) or NAVPERSCOM (PERS-403) (only for nuclear and submarine designated personnel).	5
TPP&H and/or RTD/FFD, pending Security Clearance resolution/confirmation	6
Approved to retire with a disability.	1
Hospitalized while assigned to a training command for temporary duty or duty under instruction.	1
Directed to be administratively separated per authorization by higher authority.	1
Disqualified from present duty (not LIMDU-TLD, PEB, or pregnancy) requires BUPERS Orders to a support/others UIC and/or next assignment.	7
Pending disciplinary action.	7
Released from disciplinary action.	8
Pregnant.	9
Termination of pregnancy tour requirement and medically cleared while onboard for pregnancy tour or onboard TEMDU at a transient/others UIC awaiting BUPERS orders for pregnancy tour.	2

Availability Report Submission & Deletion - Decision Logic Table

Notification received from NAVPERSCOM, Enlisted Distribution Division (PERS-40) to separate member within 30 days.	1
Notification received by NAVPERSCOM that it has been determined member will remain onboard and PRD will be adjusted.	1
PRD has been adjusted since AVAIL submitted to either match SEAOS and/or HYT or other separation date within one year, or PRD is adjusted outside 9-month window regardless of prior type duty.	1
AVAIL used to transfer member when NAVPERSCOM finds billet for member.	10
Assignment Screening, if required, results in service member being assignment limited (ASLIM). This includes those FFD by PEB but have 3 PFA failures on record.	11

Notes for Paragraph 2 Decision Logic Table:

Note 1: AVAIL not required.

Note 2: Submit an AVAIL.

Note 3: if member requires reassignment under BUPERS orders in new rating submit AVAIL once rating conversion is approved and/or rate change/designation applied to include frocked rating; if member requires reassignment under BUPERS orders in new rating.

Note 4: Submit an AVAIL when directed by NAVPERCOM (PERS-401) or (PERS-404) once all required screening/evaluation process for specific EOD and aviation ratings is completed to include approved forced conversion, if applicable.

Note 5: Submit an AVAIL when directed by NAVPERSCOM (PERS-403) once all disqualification processing is completed to include approved forced conversion, if applicable.

Note 6: Submit an AVAIL when member receives applicable security clearance for reassignment.

Note 7: Submit an AVAIL if member needs to be moved from one UIC to another under BUPERS orders for further processing and/or to their next assignment.

Note 8: Submit AVAIL if member requires BUPERS orders for reassignment after being released from disciplinary action.

Availability Report Submission & Deletion - Decision Logic Table

Note 9: AVAIL submission is dependent on member's duty status at time of pregnancy. Refer to MILPERSMAN 1306-1700 (paragraph 6.b.) for guidance.

Note 10: After orders are released, AVAIL should automatically disappear.

Note 11: Submit an AVAIL and wait for notification of further disposition from NAVPERSCOM (PERS-40BB). But also communicate with command to ensure ASLIM is provided command to NAVPERSCOM (PERS-40BB). Refer to MILPERSMAN 1306-801 for further guidance on assignment screening.
